

**Rainer
Zerback**

An aerial photograph showing a paved road that curves through a rural landscape. The road is made of light-colored concrete slabs. To the left of the road, there is a drainage ditch with several large, dark, rectangular structures (possibly culverts or manholes) partially submerged in water. The surrounding fields are dry and yellowish-brown, suggesting late autumn or winter. In the background, there are some trees and a small hill. The sky is overcast and grey.
